# Guidoni Group

In the early 1980s, the company embraced a vision of combining modern technology, elegant design, and family tradition. The results have allowed us to showcase to the world the beauty and uniqueness of quartz and natural stone.

Today, the company is a leader in the export of ornamental rocks in Latin America. Guidoni owns 593 quarry titles in Brazil, and 50 quarries are currently in operation. The company is now exporting to over 70 countries across the five continents.

## *Quartz: the ideal choice to harmonize beauty, elegance, strength, and durability.*

---

Elevate your projects to the higher level by taking advantage of the unique features and unparalleled benefits of quartz. Transform your space with the distinctive quality that quartz provides.

# AMERICAN SOAPSTONE

Modern and tradition meet in the movement of the veins of our American Soapstone.

The matte finish invites you to a sensory experience that combines a gentle touch and stunning looks, expressing a natural and elegant design.

# BIANCO CARRARA

The depth and refinement of our design process makes our Bianco Carrara truly unmistakable. Add a delicate touch of sophistication to your space with this elevated classic design.

# CALACATTA MISTY

Calacatta Misty offers a striking design that stands out in minimalist and monochromatic spaces.

This color offers a soft white base and striking gray veins that are sure to elevate any design space.

# FERRARA GOLD

Ferrara Gold provides unparalleled class and beauty to any space.

With a crisp white canvas and delicate gold veins, this color stands out among others as a clear choice.

## PALISADES GOLD

Palisades Gold features a subtle aesthetic with a neutral base inspired by natural marble. It achieves a contemporary charm by incorporating hues that blend seamlessly with modern preferences.

# HIMALAYA SUMMIT

Himalaya Summit is a truly unique design inspired by the aesthetics of natural marble. It's elegance with a touch of boldness breaths life into any project.

# ARABESCATO MAXIMO

The Arabescato Maximo displays patterns of soft grey veins that run throughout the slab, imparting a classic and timeless design.

# CALACATTA NEW LAZARO

The New Calacatta Lazaro is the ideal choice to express beautiful design and timeless durability. This option is excellent for enhancing your space with style and sophistication.

# Plain Colors

Transform spaces with the unique sophistication of our plain color quartz, a uniform color palette that enriches every environment with a touch of modern elegance.

Ferrara Gold

# Calacattas and Carraras

Where the classic beauty of Calacattas and Carraras come to life. Blending luxurious aesthetics with modern practicality, they are the perfect choice to transform any space into elegant and inspiring environments.
